# 10
## Overall Summary

May delivered a **stronger and more balanced overall digital performance than April**, with website traffic, reservations and sales all improving. Instagram and Facebook both continued to support visibility and traffic generation, while Meta Ads remained efficient with stable CPC and CTR. Overall, the channel mix continued to work well for Neoon, with commercial results continuing to recover ahead of the summer season.

**Next Steps**

- Continue prioritizing content formats that drive karaoke bookings and website conversions.
- Promote Neoon Cards through the new website landing page and the additional 10% online purchase incentive.
- Leverage the summer season through campaigns focused on cocktails, groups and evening experiences.
- Increase focus on content that showcases the variety of activities available at Neoon.
- Continue optimizing Meta Ads and conversion-focused creatives to return to €5,000+ in monthly website sales.
